Q3 W8 Weekly Assignment Guide (2/27, 2/29)

WOW: Word(s) Of the Week

No new words this week. Review the 12 words given this quarter (see W7) for a quiz on Thursday.

Due Tuesday 2/27:

- **Draft of exordium, peroratio due**—by turning these in today you not only get full credit for the assignment, you allow me to give you feedback BEFORE adding them to your full draft. I will be emailing my comments Wednesday, so look for them!
- **Read *Rhetoric Alive Senior Thesis* ch. 14 (p. 165 – 169); bring book to class**
- **UPCOMING: much is due Thursday . . . be ready!**

Due Thursday 2/29:

- **Happy Leap Day!**
- **Interview Transcript Due**
- **Complete Draft Due: Prepare as an MLA-formatted Word document, marking each section (exordium, narratio, partitio, confirmatio, refutatio, peroratio) in parenthesis at the start of each section. In addition, in the narratio mark the history and each stasis point with parenthesis (see final student entry in narratio examples), and identify each of your arguments in the confirmatio and refutatio sections. IMPORTANT: submit only to Turn-it-in (no printed copy) as an editable doc, not a pdf. I am grading these online and need them to be editable.**
- **Q3 Memory Presentation Part 1: Be prepared to write out all 4 verses you have been memorizing**
- **Q3 Memory Presentation Part 2: Be prepared to present all 4 verses you have been memorizing**

Enjoy your Spring Break!

(aren't you glad you got everything turned in this week so you don't have Rhetoric work to do?????)

Q4 Pacing Guide will be posted soon—look for it!
