

Providence Extension Program | Core F Rhetoric II
Q4 W3 Weekly Assignment Guide (4/2, 4/4)

Due Tuesday 4/2:

- **Be practicing your exordium. You will present (not read!) it in class.**
- **Final Written Speech due Thursday—work on fixing what was needed in the draft and added all required parts.**

Due Thursday 4/4:

- **Final. Written. Speech. Guidelines are on Weebly (also handed out in class), as is the rubric—you will be graded accordingly. Please make sure you have all parts of arrangement, all rhetorical appeals, devices, common topics, etc. Speech should be marked according to the assignment guidelines for full credit.**

Note: this is NOT a completion grade. It is 100 points and should be your absolute best effort, like if you had to read it tomorrow in front of everyone you know it would be ok. Your draft was prior to break—this is the one that counts.

- **Read *LOTF* ch. 5 – 8; be prepared for an in-class written essay quiz.**
