Q4 W4 Weekly Assignment Guide (4/9, 4/11)

Due Tuesday 4/9:

- **Read your speech out loud, in its entirety. Time yourself—how long did it take you from start to finish? It is important to be aware of this now and begin to make adjustments.**
- **As discussed we discussed in class last week, begin putting your speech in presentation form, meaning:**
 - Large font size
 - Separate it by sections—“chunk” your speech
 - Add notes for gestures, pauses, changes in speed or pitch, etc.
 - Work on learning one “chunk” at a time
- **Prepare to PRESENT—not read—your exordium and narratio in class**
- **Begin work on your PPT; bring what you have so far to class for a spot check (flash drive)**
- **Work on presenting your speech EVERY DAY**

Due Thursday 4/11:

- **Final LOTF discussion; read ch. 9 – 12, prepare for Book Club discussion (and food!)**
- **Be working on your PPT and speech**
